The Honorable Bill Hardiman, Chair  
Senate Appropriations Subcommittee on DHS  
Michigan State Senate  
Lansing, Michigan 48933

The Honorable Dudley Spade, Chair  
House Appropriations Subcommittee on DHS  
Michigan House of Representatives  
Lansing, Michigan 48933

Dear Senator Hardiman and Representative Spade:

Section 513(4) of 2007 Public Act 131 (Enrolled Senate Bill 232) requires the Department of Human Services (DHS) to submit a report on the number of children who were placed in out-of-state facilities during the previous fiscal year, the number of Michigan children residing in such facilities at the time of the report, the total cost and average per diem cost of the out-of state placements to this state, and a list of each such placement arranged by the Michigan county of residence for each child.

The first page of the report provides numbers of Michigan children placed in out-of-state facilities during FY 2007 and the number of Michigan children in out-of-state facilities at the time of the report. These numbers are broken down by court supervised children and DHS supervised children. Requested financial information is also on the first page. The second page of the report lists all FY 2007 DHS supervised out-of-state facility placements arranged by the Michigan county of residence for each child, and the remaining pages of the report list all FY 2007 court supervised placements arranged by the Michigan county of residence for each child.

For FY 2007, the total cost reported reflects the amount paid to all out-of-state facilities. It is not possible to report the total cost to the state for out-of-state placements supervised by the court, which account for 338 out of the 362 FY 2007 placements. Court placements are funded by the County Child Care Fund (CCCF). The county pays 100% of the cost to the facility then bills the state for 50% of the eligible costs. However, a portion of some payments may be covered by court ordered parental support money, government benefits or some other type of collection. These types of offsets are indicated on the CCCF invoices, but the listing is not child specific. Therefore, it is not possible to give the exact dollar amount that the state reimburses the county for each of these placement settings. An approximate state cost is provided in the report.

The Honorable Bill Hardiman  
The Honorable Dudley Spade

We are reviewing the procedures for the CCCF reimbursements and working to identify what resources are necessary to modify the billing process.

Sincerely,
